Subject: Scout news

It is with great joy that I announce that Ted Tobin has passed his Eagle Scout Board of Review. Ted joins a distinguished group of Troop 53 Scouts that have earned this highest position in Scouting and gone on to do great things. Ted has eagerly accomplished many merit badges on his quest. He continues to assist by holding key Troop leadership positions and helping the Cub Scouts as a Den leader. I look forward to seeing how Ted will continue to distinguish himself in scouting and the many community groups he is a member.

Please join me in congratulating Ted on this achievement.
